## Bind Chocolate

Bind Chocolate very first chocolate boutique concept of Turkey. We are the only one boutique chocolate manufacturer company which is located Istanbul, Turkey.

Bind Chocolate system works with concept of a complete boutique. For this reason Bind Chocolate sales points which are located all over the world, are a chocolate boutiques. On the other hand we have been producing personalised chocolates

We are also producing custom designed chocolate for each of our customers. We always keep our customer's demands first placed in our marketing facilities. We are taking care of customer's feedbacks from all over the world.

We are using latest technology in our production and operational proses. We have large size of national and global boutique shops and sales points and also have long lasting business relationship between our customers and also our global raw material suppliers.

Bind Chocolate is precise in production facilities. We are using %100 cocoa oil and producing %100 of natural hand made unique taste chocolate. We combines different flavor together in our products. We are working with almost all five star hotels that are located around Turkey. We are also create very different and also custom concepts&design accordingly our cooperate customer's demands.

We have very variety type of products. It is the best way to give someone Bind Chocolate as a present in the feast, religious days,birthday, valentine's day etc.We have very attractive, hand made, %100 natural chocolates and also different & Unique shaped boxes. Bind chocolates easily turns into obsession. Bind chocolate is that all products are hand made.

BIND "The Legendary of chocolate with their unique taste....."

Discover unique floured chocolate

Bind Chocolate should carry out two different charectic feature which are texture and smell. Bind's wonderful taste fomed by the creativities of Bind Chocolatea Chefs flows right from mouths to hearts.
